RESULTS and TESTIMONIALS

SHAMBHAVI

(Currently pursuing MBBS in Govt Medical College Koppal)

I was the a student of UR Academy and My NEET score was 580

Here teachers are passionate about seeing their students succeed. Under the guidance of UR Academy teachers, I was able to fulfill my dream of getting a Government quota medical seat to become a doctor.

In UR Academy teachers give proper attention to every student in order to pace up their learning.

Raghavendra Adiga

(Currently pursuing BE in BMS College of Engineering)

Dr. G. K. Bhat sir helped us in achieving good marks in our board exams as well as in our competitive exams without expecting anything from us.

Not only G. K. Bhat sir but also everyone from UR Academy such as Sandeep sir, K.P sir, Shubhada mam, Anil Kumar sir, Ranjana mam and others helped us by conducting free classes whenever it was necessary and cleared all our doubts and as a result we got good hold our the concepts.

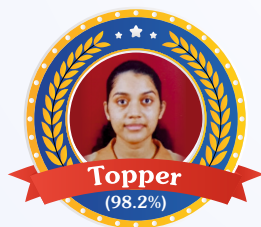

I'd like to Thank G.K Bhat sir and the whole team of UR Academy for helping us in reaching new heights

Tara

(Currently pursuing BE in PES College of Engineering)

My time at UR Academy was incredibly enriching. The extensive syllabus was taught in an organized way by highly knowledgeable tutors. They also provided a wealth of supplementary material which was very valuable for my preparation. I highly recommend UR Academy to the students looking to learn sizeable portions thoroughly in a short time frame.
